

What Is Our Goal?

What is our endowment Goal?

As our endowment grows, it becomes an increasingly important source of revenue for the Council. A strong endowment sustains our camp and quality programming for future generations of Scouts and ensures we can:

- create opportunities and memorable experiences for youth,
- meet current and future program needs,
- maintain a stable funding stream despite fluctuations in the economy,
- lower our dependence on the other fundraising sources,
- increase the Council's ability to respond to immediate or emergency needs.
- ensure the council's long-term financial health.

Most importantly, the primary goal of the endowment is to enable Scouting to fulfill its expanding mission to reach more young people.

To be healthy and stable, the Council must meet its current operating budget, without exerting 100% of its energy on fundraising. After all, our mission is to broaden our cherished Scouting tradition and provide quality, values-based programming to all youth who want to participate, and not to raise funds. To date, the W. D. Boyce Council Endowment Trust Fund already contributes a modest 4% of the current operating budget from interest income. The Board of Directors would like to see that contribution rise to 20% of total operating budget.
