Local Scout Reports to the Nation

WASHINGTON, DC - The Report to the Nation is an annual event at which representatives from the Boy Scouts of America travel to Washington, D.C., to present to Congress a report on the BSA's achievements of the last year.

Terry Hendriex was selected through a rigorous nomination and review process to be one of the 13 Scouts to deliver the 2019 BSA Report to the Nation. Terry is an Arrow of Light Recipient from Pack 4142, and an Eagle Scout from Troop 1142, both in Clinton, IL. He is also very active in his local Venturing Crew 2142. Terry is also a Vigil Honor member from Wenasa Quenhotan Lodge and is very active in the Order of the Arrow. His favorite Scouting memory was when he summated the tooth of time at Philmont. Outside of Scouting he is a Senior at Clinton High School where he likes to run, hike, and read in his free time.

Today's participants in Scouting's many programs are following in the footsteps of millions of boys and girls who set off on great adventures. In doing so, they are serving their families, their communities, and their nation while learning skills and building friendships that will guide them throughout the course of their lives. They are becoming "Prepared. For Life." It is a distinct honor to have one of our own Scouts show the nation how the volunteers of the W. D. Boyce Council have prepared him for life.
