

CUB RESIDENT CAMPS AT ISR

EXPLORE THE WILDERNESS!

About Cub Scout Resident Camps

Cub Scout Resident Camp at Ingersoll Scout Reservation will be the highlight of your summer! Resident camp is a 4-day, 3-night program for Tigers, Wolves, Bears, Webelos and Arrow of Light Scouts. Ingersoll Scout Reservation is located just west of London Mills, Illinois. The reservation encompasses almost 1000 acres of woodland and prairie between Fulton and Knox Counties. Ingersoll is home to a 17-acre lake with a sand beach, two fishing docks, a boat house and a 100 ft. waterslide, a 50 ft. climbing tower with three walls of varying difficulty, Greg's Fish Shack for cleaning and preparing fish, a swimming pool for aquatics related belt-loops and open swim time, an archery and bb gun range, an ecology and conservation building with a live turtle pen and so much more! At Cub Scout Resident Camp, Scouts will have the opportunity to work on adventure loops, participate in camp-wide activities and enjoy all that ISR has to offer. You will be able to choose to sleep in a platform tent or bring your own tent. Don't miss out on this wilderness adventure!

Parents and Volunteers

Registration is for one Scout AND one adult. You may add on another adult or sibling for an additional charge. If you attend with your pack, the pack must have two-deep leadership and have one adult per four Cub Scouts.
