

Share the Adventure—50% off Day & Twilight Camps

"Large streams from little fountains flow, Tall oaks from little acorns grow." Like many who support the mission to help our units the Council had sponsors that planned for rainy days years ago. To help get kids to Day & Twilight Camps, there are funds to help our families as we get back to normal. You must act quick and take advantage of this limited opportunity.

One of the best ways to recruit new Cub Scouts is 'peer-to-peer'. When a Scout brings a friend to a scouting event, they both have fun! It is a fantastic introduction to Cub Scouts for the youth and the parent(s). How about Camp? **Yes, a Cub Scout can bring a friend to camp.** All they need to do is register for camp. Experiencing the Scouting Adventure is how we can showcase our program to new Scouting Families.

Here are some Scouting Experiences you will get at camp: BB Gun and Archery, STEM Projects, Fishing, Woodworking Project, Games and Scout Skills & More!!

When a Scout brings a non-Scout friend to camp and they join scouting, the Scout who recruited the friend can earn a Recruiter patch (our gift). And as an added 'bonus' each scout and their recruit will earn 50% off the Day or Twilight Camp experience. **All participants must bring complete a health form. No physical required. Health form can be found on the registration page.**

Use code "FRIEND50" when prompted in registration to apply discount. You may register separately. Applies to W. D. Boyce Day & Twilight Camps.

As a bonus a Pack that gets 75% of their current scouts (registered with the Pack as of 4/30/21) to go to Day & Twilight Camps—the unit gets a 50% discount on each scout attending. Email erin.smith@scouting.org to access this discount. You can go to Adventure Camp for as little as \$42.50!

You must register by May 23, 2021 for June camps & June 20, 2021 for July camps. If you have already registered, refunds will be handled accordingly. Email erin.smith@scouting.org.
